

**78th International scientific conference of the University of Latvia
Special session «Hydrogeology and groundwater dependent ecosystems»**

January 30th 2020, Riga, Latvia

University of Latvia, Centre of Natural Sciences, Nature house, Jelgavas street 1, room 702

AGENDA

9:00 – 9:30	<i>Registration and coffee</i>
9:30 – 9:40	Welcoming words/ Prof. Valdis Segliņš, vice-rector for Exact Sciences, Life and Medical Sciences, University of Latvia
9:40 – 9:50	Introduction to GroundEco project/ Inga Retike, project coordinator, Latvian Environment, Geology and meteorology Centre
9:50 – 10:40	<u>Keynote speech</u> Groundwater dependent terrestrial ecosystems and where to find them/ Dr. ecol. Marko Vainu, researcher, Tallinn University
10:40 – 11:00	<i>Coffee break</i>
11:00 – 11:40	<u>Keynote speech</u> The role of conceptual models in hydrogeology/ Dr.geol. Andres Marandi Head of Hydrogeology and Env. Geology Department, Geological Survey of Estonia
11:40 – 11:55	Identification and assessment methodology of groundwater dependent terrestrial ecosystems in Estonia and Latvia/ J. Terasmaa, I. Retike, M. Vainu, A. Priede, A. Kalvans, E. Lode, M. Küttim, O. Koit, S. Tarros , J. Bikše, K. Sisask and P. Abreldaa
11:55 – 12:10	Groundwater dependent terrestrial ecosystems in Kazu leja, Gauja National Park/ A.Priede
12:10 – 12:25	Kazu leja groundwater dependent ecosystem: hydro(geo)logical perspective/ A. Kalvāns, K. Popovs, J. Bikše and A. Babre
12:25 – 12:40	Developing a hydrogeological conceptual model for a spring fen in the transboundary Gauja – Koiva river basin, SE Estonia/ O. Koit, S. Tarros, J. Pärn, M. Polikarpus, P. Abreldaa, K. Sisask , M. Küttim, M. Vainu, J. Terasmaa, H. Tõnnisson and V. Raidla
12:40 – 13:20	<i>Lunch (organized for registered participants in room 701)</i>
13:20 – 13:35	Development and application of DIY sensors for hydrogeological needs in Kazu leja valley pilot site/ J. Bikše and A. Kalvāns
13:35 – 13:50	Hydrogeological modelling of the interaction between dolomite quarries in the Ropazu district and of adverse effects caused by them (Latvia)/ A. Spalvins, I. Lace and K. Krauklis
13:50 – 14:05	What causes water level changes in a small lake in Piejura lowland, Latvia?/ A. Dēliņa, A. Kalvāns and K. Popovs
14:05 – 15:00	Poster session
